

Practice Areas

Auditing Services

DE&A has a proven track record in providing auditing services, as well as pre-audit and post-audit assistance. Our continuing goal is to ensure that transactions are properly recorded, processed, and summarized to permit the preparation of reliable financial statements.

Accounting Services

DE&A accountants and CPAs are experts in providing solutions to diverse organizations. Our accounting capabilities include preparation of financial statements, budget analysis and projections, accounts payable/receivable review, as well as selection and installation of accounting and office automation solutions.

Tax Services

DE&A provides comprehensive tax services to meet every client requirement. We offer corporate tax planning and compliance, individual tax planning and compliance, tax audit representation, and merger and acquisition planning.

Management Consulting

We offer strategic management consulting services, which are based on a deep understanding of our clients' organizational missions and environments. Our capabilities range from contracts management and administrative support to grant management services.

Your Strategic Accounting Partner

Daniel Eke and Associates, P.C.

Discover **A** Comprehensive Resource For Every Accounting Requirement . . .

. . . Daniel Eke and Associates, P.C.

Introducing Daniel Eke and Associates, P.C. (DE&A). We're a leading provider of management consulting, auditing, and financial accounting services. Headquartered in Silver Spring, Maryland, we assist a diverse range of clients—including federal and local government agencies, public and private sector firms, and not-for-profit organizations—with their unique financial requirements.

A management consulting and Certified Public Accounting firm, DE&A provides an extensive array of accounting services. Our practice areas include Auditing, Accounting, Tax, and Management Consulting Services. Notably, DE&A has specialized Department of Defense expertise, as well as experience working with other federal government agencies.

At DE&A, our mission remains clear: we are dedicated to providing outstanding accounting and management consulting services to help enhance our clients' success. Because of our solid commitment to excellence and exceptional customer service, we continue to retain so many satisfied clients.

Access **An Extensive Array** Of Accounting Services.

At DE&A, we feature a diverse array of capabilities, ranging from accounting to tax services. With our assurance services, we can assist clients of all types with audits, reviews, compilations, as well as agreed upon procedures. We also offer pre-audit and post-audit services, including financial statement audits, Sarbanes-Oxley 404 readiness, and assistance with responding to audit findings. Notably, DE&A features a team of accounting experts who can provide solutions for every challenge. Our accounting services include financial statement preparation, budget analysis and projections, accounts payable/receivable analysis and review, account reconciliation, as well as accounting software training and installation. In addition, we offer essential tax services, ranging from tax planning and compliance to tax audit representation.

With our audit, accounting, tax, and management consulting practice areas, DE&A provides specialized services to the federal government, state governments, commercial entities, and individuals. In delivering these services to clients, we have gained extensive experience in the use of various analytical techniques and tools. With this proficiency and broad skill set, our professionals are able to perform tasks in a more efficient and effective manner, as well as provide clients with a superior work product. We continue to be highly regarded for our professional objectivity, innovation, quality, and service.

Clearly, with our extensive services and years of government and industry experience, DE&A has the skills you need to support your organization.

Benefit **From An** Experienced Team Of Accounting Experts.

DE&A features a multi-disciplined team of experts with extensive accounting and management consulting experience. They bring a diverse focus to the firm, from government support to financial management. Our highly motivated professionals are led by experienced managers, who are Certified Public Accountants. They have vast knowledge in dealing with government agencies, non-profits, and commercial enterprises. Best of all, our staff embraces a strong client service philosophy, consisting of: Involvement, Responsiveness, and Accessibility. With our specialized knowledge and expertise, DE&A is capable of handling even the most complex management consulting, auditing, and business management challenges.

Enjoy **Unparalleled Client** Service And Support.

DE&A credits its successful growth to the outstanding qualifications of its staff and a continuing commitment to superior service. We are fully able to identify potential issues at an early stage and provide resolutions effectively and efficiently. At DE&A, our exceptional service has always been founded in professional competence, integrity, objectivity, and exceptional problem solving skills. By following these vital service goals, we continue to build successful long-term relationships with our clients.
